

UNITED STATES INFORMATION AGENCY

Amendment to Exchange-Visitor Skills List

SUMMARY: Pursuant to the provisions of section 212(e) of the Immigration and Nationality Act, as amended (8 U.S.C. 1182(e)), and 22 CFR 41.65(b), the Secretary of State designated on April 25, 1972, and revised on February 10, 1978, a list of fields of specialized knowledge or skills (referred to as the Exchange-Visitor Skills List) and those countries which clearly required the services of persons engaged in one or more of such fields. Any alien who was a national or resident of one of those countries and obtained an exchange-visitor visa and/or became a participant in an Exchange-Visitor Program involving a designated field of specialized knowledge or skill after the effective date of those public notices was subject to the 2-year foreign residence (home-county physical presence) requirement of section 212(e) of said Immigration and Nationality Act as provided by said section and 22 CFR 41.65(b).

Pursuant to the provisions of Reorganization Plan No. 2 of 1977, section 217 of the United States Information Agency Authorization Act of August 24, 1982 (Pub. L. 97-241) and Executive Orders Nos. 12038 of March 27, 1978 and 12388 of October 14, 1982, the Director, United States Information

Agency, hereby further revises the 1972 Exchange-Visitor Skills List, as revised in 1978. The list which follows reflects an increase in the number of groups of designated fields of specialized knowledge or skills, as well as the deletion of Cambodia, Iran and Vietnam, and should be examined carefully and used in conjunction with the two prior existing lists. An extensive listing applicable to exchange visitors from the People's Republic of China, has been added to the list. There is a skills list for Afghanistan but the application of that list is suspended indefinitely.

DATES: In order to provide time for the dissemination of this list to Foreign Service posts abroad and to interested persons and organizations in the United States, the designations indicated below shall become effective thirty (30) days after publication in the **Federal Register**. Exchange visitors who entered the country prior to said effective date shall continue to be governed by the 1972 list, as amended in 1978. With regard to exchange visitors from Cambodia, Iran and Vietnam, this notice shall be retroactive, and exchange visitors from these countries who were formerly subject to the residence requirements pursuant to the skills list shall be so no longer.

ADDRESS: Comments and requests for further information should be addressed to: Richard L. Fruchterman, Exchange Visitor Facilitative Services Staff, Office

of the General Counsel and Congressional Liaison, USIA, Suite 700, 301-4th Street, S.W., Washington, D.C. 20547. Telephone (202) 485-7976.
