Department of State

2009 Revised Exchange Visitor Skills List; Notice

DEPARTMENT OF STATE

[Public Notice: 6546]

2009 Revised Exchange Visitor Skills List

AGENCY: Department of State.

ACTION: Notice of Revised Exchange

Visitor Skills List.

SUMMARY: The Exchange Visitor Skills List is a list of specialized knowledge and skills that are deemed necessary for the development of an exchange visitor's home country. It is used by Consular Officers to determine whether an exchange visitor applying for a J-visa is subject to Section 212(e) of the Immigration and Nationality Act, as amended.

DATES: The Exchange Visitor Skills List is effective on June 28, 2009.

FOR FURTHER INFORMATION CONTACT:

Marcia Pryce, Deputy Chief, or Ann Kavalou, Waiver Review Officer; Waiver Review Division, SA–1, Room L 603, Visa Office, Bureau of Consular Affairs, Department of State, 2401 E Street, NW., Washington, DC 20522–0106. Telephone 202–663–2800.

SUPPLEMENTARY INFORMATION: Pursuant to the provisions of Section 212(e) of the Immigration and Nationality Act, as amended 8 U.S.C. 1182(e), and 22 CFR 41.63, the Secretary of State designated on April 25, 1972, and revised on February 10, 1978, a list of fields of specialized knowledge or skills (referred to as the Exchange Visitor Skills List) for countries which clearly required the services of exchange visitor participants engaged in one or more of such fields. Any alien who as a national or resident of one of those countries and obtained an exchange visitor visa and/or became a participant in an Exchange Visitor Program involving a designated field of specialized knowledge or skill after the effective date of those public notices was subject to the two-year foreign residence (home country physical presence) requirement of Section 212(e) of the Immigration and Nationality Act as provided by said section and 22 CFR 41.63. The first Exchange Visitor Skills List was published in 1972. New lists were published on June 12, 1984 and January 16, 1997. Exchange visitors who entered the United States prior to the effective date shall continue to be governed by the 1997 Exchange Visitor Skills List, as amended. The Exchange Visitor Skills List which follows incorporates all previous revisions and amendments still in effect, and has been developed by the Waiver Review Division, Visa Office, Bureau of

Consular Affairs, after consultation with foreign governments and overseas posts. The revised 2009 Exchange Visitor Skills List reads as follows:

(60) Residency Programs

Residency programs are designed to prepare medical doctors (M.D.) or osteopaths (DO), dentists (DDS, D.M.D.), and veterinarians (D.V.M.) for certification as practitioners of recognized specialties in their respective professions. These programs are approved and accredited by designated professional associations and require from one to five years to complete, depending on the program. Medical residencies usually require completion of an internship after the M.D. degree for program entry, while requirements vary for dentistry and veterinary programs.
